## Terms and Conditions

Every season ticket has an expiration date one year from the day of purchase. No portion of the season ticket annual fee is refundable for any reason. No extensions to season passes will be made. The purchase of a ticket allows holders to pay only a minimal surcharge when they play any of the five municipal courses. The Senior Ticket is offered at a lower annual rate, and requires a higher surcharge. The surcharge for all Season Ticket play is subject to change without notice. Surcharges are not guaranteed to remain steady throughout the one-year term of the ticket. Purchase of a season ticket does not guarantee the availability of tee times nor does it provide for any special reservation privileges.

I have read, understand, and agree to the above terms and conditions.
